

25 Years of Camping in The Mountains

That's right, this year marks our Silver anniversary of Camping in Clarkesville! You don't want to miss out on this historic summer of camp, so sign up today to reserve your spot. We've already heard from many of you, but we still have plenty of camp buddies who have not sent in registration forms. We have attached a 2012 registration for your convenience, or you can go online to our website www.athensywcoamp.com to register online. If you registered during closing day or early bird registration, please do not re-register. If you did not choose a session, just email or call and we'll get you set in a session. If you are a horseback camper, don't delay. As you will see in the listing of folks registered, some sessions are filling up and this year we will only be holding three HB sessions. HB2 is already full. So, don't get closed out, let us hear from you today!

This summer we will be creating lots of new memories to last a life time. Of course we will be keep all the old traditions, songs and night programs but we will be adding some exciting new programming ideas. So keep an eye out for more details in upcoming Millwheels.

Summer 2012 Staff & Camper News:

Welcome Back Darilee!

I'm sure many of you will remember Darilee who was our CIT director two years ago. She's Back!!! And this time she's running camp as our Assistant Director. As most of you probably know, last summer was Kristina's last time with us as she decided to put her college degree to use and is now a school teacher in Athens. She is surely missed around here, but she'll be back to visit and play! Darilee started in February and she's already busy as a bee. Just keep reading to find out some things she has planned for us.

Other Familiar Faces to Welcome You Back:

Liz – You know her as waterfront director, but this summer she will be wearing a new hat for her. She will be our program director and working closely with Darilee and all the staff planning activities for the summer.

Ashley – Yes, making this her third summer at camp (that makes her an Old Timer this year!) Ashley will once again be horsing around the rings with you horsey girls!

Bekah – Last year Bekah worked with the CIT program washing dishes, singing songs, creating our new leaders of camp, but this year she will be wet behind the ears! Yes, Bekah is returning as our Waterfront director this summer, so everyone on camp will get to splash around with her!

We also have a great group of fearless cabin staff who have already signed up to live and play with you for the summer. Here are the ones we currently have on the list:

Anna, Bridget, Laura, Mary, Emily and Maria.

We are hot and heavy into our recruiting season and we have many new folks who are interested in playing with us this summer, and if you know of anyone who may be interested in a staff position, have them contact camp and we'll be happy to share any information and openings we have left.

Are We Missing You???

We don't want to miss a single one of our camp buddies. Now the holiday season is over, days are longer, flowers and trees are start blooming, it's time to think about camp again! Come celebrate a Silver Summer of Celebration with us this year. Here's who have registered so far. If your name isn't here ... it should be! And, share camp with a friend, Don't forget for each new camper you encourage to sign up for camp you get a *discount off of your camp fees*. The more the merrier! Let's fill up camp this year!
